Description

Original SONY TV Remote Control RM-ED056, RMED056 now substituted to RM-ED057.

Number on Remote Control: 57, also known as RM-ED056, RMED056, 1-492-074-11, 149207411.

Suitable for SONY Models: KDL50R550A, KDL60R550A, KDL70R550A, KDL-50R550A, KDL-60R550A, KDL-70R550A

The SONY model number is usually on the back of your SONY product, or on the front of your user manual.

This remote control is an Original Remote Control from SONY.

Please note the original SONY remote control RM-ED056 is no longer available from SONY and we recommend you purchase SONY remote control RM-ED057 as a substitute.

The original SONY remote control RM-ED057 (pictured below) has all the same buttons and functions as the original SONY remote control RM-ED056, except it is missing the "3D" button.

If the "3D" button is important to you, please do not purchase.

Requires 2 x AAA Batteries
